

Dear Parent/Carer and interested party,

I am delighted that you have taken the time to explore further what Poplar Farm School can offer. Poplar Farm School is being built on the Newton's Place Housing Development, to the North West of Grantham. The school will open to Reception age pupils in September 2018 and from that point provide the highest standards of education, care and educational enjoyment. Poplar Farm's curriculum will be developed to ensure that pupils and adults have a love for learning and give them the skills to fulfil their potential and ultimately follow in the footsteps of local greats such as Isaac Newton.

Poplar Farm will be part of Community Inclusive Trust (C.I.T.). The Trust will ensure that it recruits and provides the best staff and resources to meet the Trust's purpose;

"To put learners first every time and prepare them for their future."

Our dedication to this purpose has led to more than half the schools within C.I.T. being graded Outstanding by Ofsted in recent years.

The staff at Poplar Farm will strive and aim to ensure every child has a zest for learning, is cared for and ultimately enjoys success and their experience at the school. This will be achieved through clear lines of communication with families and where appropriate, families playing an active role in school life. This aim will also be supported by rigorous and continuous assessment, to review the needs of all children. We will recognise individual strengths and areas for development of each child and ensure that there is a curriculum which enthuses and unites the community.

Throughout the pre-opening stage leading up to September 2018, we will hold a number of open meetings to share information and answer questions, so please ensure you share your contact details with jacki.bartram@citacademies.co.uk. C.I.T. will also be looking to recruit and set up a Governing Body for Poplar Farm, if you are interested in the role of Governor, have any further questions or wish to meet in person please contact Jacki Bartram.

I look forward to meeting many of you over the coming months and hopefully welcoming your children into Poplar Farm, when it opens its doors in September 2018.

Kind Regards

Peter Bell
CEO Community Inclusive Trust
