Dear Parent

We are delighted that your child will be attending Poplar Farm Primary School in September 2018.

I am sure you have been following our journey as this amazing new school dominates the landscape. The build is on schedule and will be completed and ready for hand over in the first week of August.

We are really excited about some of the things that are already in the pipeline. We have been busy designing and commissioning the Early Years play area. This is going to be a fantastic outdoor space for the children, created with exploring in mind. Your child will have a playground that will stimulate their mind, build their strength and ultimately, be safe and fun! We are also beginning to appoint staff and we look forward to welcoming your child into the family of Poplar Farm with opportunities to meet the team, once the school building is ready for visitors.

We promise the journey will be exciting and as your child takes their first steps in to Poplar Farm Primary School as a pupil, they will be part of the history of the school.

We have already planned some activities which we hope will enable us to get to know one another and share each other's expectations.
