

Tuesday 20 April 2021

Dear Parents / Carers,

Starting School at Poplar Farm School

I am delighted to welcome you and your child to our school! We have created a page on our website for the Reception 2021 intake families, which can be accessed here:

https://www.poplarfarmsch-cit.co.uk/web/september_2021_reception_intake/509445

This website page will continue to be updated with information, so please continue to visit regularly.

To ensure your child has a positive transition, I would like to invite you to a Parents' Information Meeting on Tuesday 25 May 2021 at 6.00pm, which will last around 45 minutes. During the meeting, we will share information about starting school, dates and times and the school uniform your child will require. There will also be the opportunity to meet class teachers and ask any questions you might have. However, if the COVID-19 roadmap changes, we will present this information meeting in a video, which will be available to view on the website page above. This meeting is specifically for parents, and it is encouraged you make alternative childcare arrangements.

We plan to visit your child in their current pre-school setting and we will also arrange transition visits for your child to visit us during June and July in preparation for them joining Poplar Farm School. You will be informed as soon as these dates have been finalised.

On Monday 12 July 2021, we have a whole school 'move-up morning' when your child can come to school and have the morning in their classroom with their class teacher.

Please can you complete the attached Microsoft Forms to let us know which pre-school setting your child attends, as well informing us if you plan to attend the parent meeting in May.

We look forward to welcoming you and your child into our school soon!

With best wishes,

Mrs K Hodson
Head Teacher
