

Poplar Farm Weekly Newsletter

Monday 9 May 2022

Thank you to everyone who joined us for Parents' Evenings last week. We hope you found the appointments informative. The consultation forms will be emailed to you later this week.

Article 29 - Goals of education

Thank you to everyone who donated old 'blue' uniform items for the donation to Develop Africa. I am delighted to inform you that The Develop Africa team in Sierra Leone received the 2 large boxes from Poplar Farm School on Tuesday 3 May. The photos below show the boxes arriving in Freetown. The school clothing, book bags and PE bags will soon be distributed to students in Freetown, and we look forward to sharing more photos soon.

Attendance

Last week, Class 3A had the highest attendance with 100%. Well done!

The whole school attendance for the week was 96.5%, which means the attendance for the year to date has increased to 94.4%.

Thank you for your continued support, we are pleased to see attendance continuing to rise.

Article 28 - Right to an education

Lateness

Following the information on the newsletter last week about lateness, I am happy to inform you that last week we saw a huge increase for children arriving in school on time at 8.45am.

We had 8 instances of children arriving to late before the registers closed, and 2 instances after the registers closed.

I hope this trend continues, with more children arriving at school on time.

Usborne Book Fair

Thank you to everyone who ordered books from the Usborne Book Fair last week. There were some fabulous books to choose from, and I'm sure the children will be excited when they arrive!

As a result of your support, school has a whopping **£795** to spend on books for school.

This is fantastic, and will really help us to enhance our topic books and classroom books.

Thank you again!
