

# Poplar Farm Weekly Newsletter

Monday 16 May 2022

I hope you all had an enjoyable weekend and managed to appreciate some of the glorious sunshine! As the weather starts to become warmer, please ensure any hats are labelled with names, and sun-cream is applied at home before the school day.

Over recent weeks, we have noticed an increased number of hair accessories worn to school, which are not school uniform. Please can you ensure that hair bobbles / slides / headbands etc. are in line with the school uniform colours of green; white; grey and black. Please see the school website page for further details: <https://www.poplarfarmsch-cit.co.uk/web/uniform/356655> In advance, thank you for your support.

Dates for the summer term continue to be added to the calendar. Please keep an eye on the diary dates on the weekly newsletters, as well as the calendar on the school website.

## Attendance

Last week, Class 1T had the highest attendance with 99.3%. Well done!

The whole school attendance for the week was 97.1%, which means the attendance for the year to date has remained at 94.4%.

Thank you for your continued support, we are pleased to see attendance continuing to rise.

## Contacting School

If you have a question or query that needs an urgent response, please phone the school office, rather than sending a Dojo message.

Messages are not always checked during the day, due to other in-school commitments. A message sent, does not mean the message has been received.

Thank you for your understanding with this.

## Online Safety

Online safety can be a bit of a minefield and many of us have lots of questions on how we can not only keep our children and young people safe but also let them enjoy the benefits the online world brings.

Join the Lincolnshire Online Safety Officer, Dan Hawbrook, on the 18th May 2022 for a special Question and Answer session for parents and carers which will cover whatever YOU want to know - whether it's game ratings, parental controls, bullying or strangers - we will let you ask us those burning questions.

Sign up will be required to access this session, using the following link: [A Date with Dan Tickets, Wed 18 May 2022 at 18:30 | Eventbrite](#)
