

Poplar Farm Weekly Newsletter

Monday 25 April 2022

The children had a fabulous first week of term 5, and approached their new learning with great enthusiasm. I had many children visit me to proudly share their work!

Article 12 - Respect for the views of the child

Thank you to those parents who have booked an appointment for the parents' evenings taking place next week. During both evenings, there will be the opportunity to visit an Usbourne Book Fair. Orders can be placed and online payments can be made during both evenings.

Article 29 - Goals of education

On Tuesday morning at 9am, we have the meet and greet session for Family Learning for this term. Family learning is free, and enables you to work with your child in school, and find new ways to support their learning at home. We hope you can join us on Tuesday.

Attendance

Last week, Classes 1A, 1T & 3A had the joint highest attendance with 100%. Well done!

The whole school attendance for the week was 97.3%, which means the attendance for the year to date has risen slightly to 94.2%.

Thank you for your continued support with attendance.

Staffing Updates

Miss Ashby will be leaving us next week, to start a new post working as an Active School Coordinator. I'm sure you will join me in thanking Miss Ashby for her time at Poplar, and wishing her well in her new post.

Over the next few weeks, we have Mrs Briggs, Miss Burton, Miss Smith and Miss Calpin joining our support staff team to work with children across the school.

Friends of Poplar

Thank you to everyone who supported the sponsored Bunny Hop at the end of last term. We are delighted to have received just over £1000 in donations, which is amazing.

It was lovely to see so many of you join us last Friday after school for the Easter stalls. I will inform you of the total amount raised when it has been counted. Winners will be announced later this week.

Thank you to FoP for organising these events, and thank you to everyone who supported them.

Article 31 - The right to take part in a wide range of activities
