

# Poplar Farm Weekly Newsletter

Monday 20 June 2022

We are so excited that this week we'll be celebrating our first ever PopFest! This enrichment festival will enable all children to experience and enjoy a range of different activities.

I just have a few final pieces of information for you:

- All children need to wear their PE kit to school on Thursday. They must all have a hat with them to wear, as all workshops will take place outside.
- Friday will be 'Festival Friday' when the children can wear their own festival clothes and accessories to school. We hope part of their outfit will include their newly designed tie-dye t-shirts!
- We will have festival face glitter for the children on Friday. If you would rather your child didn't have any face glitter, please inform the class teacher on dojo.

## Attendance

Last week, Class 2R had the highest attendance with 96.9%. Well done!

The whole school attendance for the week was 93.1%, which means the attendance for the year to date has fallen slightly to 94.5%.

Thank you for your continued support, we are pleased to see attendance continuing to rise.

## Weather

It was glorious to see the sun shining last week. Although the weather will not be as warm this week, it is essential that your child is protected for being outside during the day.

Please use sun cream before school, and ensure that your child has a named hat with them in school, to protect their face and neck when playing outside.

We cannot put sun cream on your child, but if you feel they need a top up during the day, they can do this themselves. However, ensure they know how to do this efficiently and safely. As with all belongings, sun cream bottles will need to be named.

## Diary Dates

Additional dates have been added to the diary dates section of the newsletter, and the school website - including term dates for the next 3 years.

Please ensure you make a note of the first and last days of the terms, to avoid any confusion about when the children should be in school.

A reminder that the children should be at school at 8.45am for a punctual start to the day.
