

Transition for September 2021 - Meet the teachers!

<p>Mr Murphy</p> 	<p>Tell us a little about yourself...</p> <p>I grew up in Nottingham and now live in Lincoln. I have been a teacher for 6 years and have always loved teaching in KS1. I particularly enjoy teaching maths and science, as the children are able to take part in lots of practical investigations!</p> <p>In my spare time I enjoy running, cycling and going to the cinema! I like to try my hand at cooking lots of different types of food when I am at home but also try and visit new restaurants whenever I can.</p>
<p>How long have you worked at Poplar Farm School?</p> <p>I have worked at Poplar Farm since September 2019. This will be my 3rd year in Year 1.</p>	
<p>What is your favourite thing about working with children?</p> <p>My favourite thing about teaching is having the opportunity to work with so many children with a variety of interests, talents and personalities. Every child is unique and I love seeing them discover what they are passionate and enthusiastic about. Unlocking a love for learning is the best thing about this job!</p>	
<p>Tell us something not many people know about you.</p> <p>I have been sky diving from over 15,000 ft in the air!</p>	
<p>Tell us a joke -</p> <p>Q. Why did the teddy bear say no to dessert?</p> <p>A. Because he was stuffed.</p>
