

Transition for September 2021 - Meet the teachers!

<p>Miss Honeybun</p> 	<p>Tell us a little about yourself...</p> <p>I grew up in Lincolnshire and moved away to study Physical Education in Leeds. I then moved to Derby, where I begun my teaching career before moving back to be closer to family and friends.</p> <p>I'm a dog mum to Brodie and love taking him for long walks in the countryside. I also love exploring the world, experiencing and learning about different cultures.</p> <p>I am a real foodie, I enjoy spending time in the kitchen cooking but equally enjoy a tasty meal out!</p>
<p>How long have you worked at Poplar Farm School?</p> <p>I have been teaching at Poplar Farm School for since September 2020.</p>	
<p>What is your favourite thing about working with children?</p> <p>I love the curiosity and creativity children bring to school every day. Being part of their learning journey is a privilege.</p>	
<p>Tell us something not many people know about you</p> <p>I volunteered in Bohpal in India in 2016. To raise money, I abseiled down a 10-story building in Leeds (I am terrified of heights!)</p>	
<p>Tell us a joke -</p> <p>Q. Why wouldn't the crab share his sweets? A. Because he was too shellfish.</p>
