

Transition for September 2021 - Meet the teachers!

<p>Miss Mason</p> 	<p>Tell us a little about yourself...</p> <p>I grew up in Lincolnshire and moved away to study Sport Science and Nutrition in Newcastle. After graduating I worked in America coaching 'Soccer' and knew becoming a teacher was something I really wanted to do!</p> <p>I live with my dog and spend a lot of my spare time in the gym, meeting up with friends or exploring new places with Lola.</p>
<p>How long have you worked at Poplar Farm School?</p> <p>I have been working at this amazing school since September 2020, Lola has been here since April 2021!</p>	
<p>What is your favourite thing about working with children?</p> <p>That teaching is a privilege and no two days are the same! I love being part of children's learning journey and seeing them flourish as individuals.</p>	
<p>Tell us something not many people know about you</p> <p>At 17, I travelled to Peru with my school and climbed part of the Andes finishing at Machu Picchu.</p>	
<p>Tell us a joke -</p> <p>Q: What do you get when you cross a cocker spaniel, a poodle, and a rooster? A: A cockerpoodledoo!</p>
