Dear Parent/Carer,

Thank you to everyone who has returned the starter paperwork to school. If you are unable to post this paperwork, please feel free to hand deliver to the school office. I know Miss Bowden and Miss Ransome enjoyed chatting to you all on the phone over the past few weeks, and I'm sure they were able to answer your questions as well.

At this point in the school year, we would usually be inviting you in to school for an intake open evening, where we would share information about our school, what to expect in transition visits, as well as what to expect in September. However, this is not possible due to the current social distancing climate we are living in. Later this week, you will be able to see the presentation and a video from staff on the school intake website page https://www.poplarfarmsch-cit.co.uk/website/september_2020_reception_intake/474520

This video will give you more details about starting school and what to expect, however we are unable to share with you what September will look like due to the current school restrictions. When we have received more guidance from the government, I will be in touch again.

We are trying to plan a short visit for your child in a small group during this term, whilst keeping to the government guidance. If we are successful with this, I will be in touch with further information.

Should you have any questions after watching the video and reading this letter, please feel free to email the school at enquiries@poplarfarmsch-cit.co.uk or call the school office on (01476) 850680 between the hours of 8:30am and 3:30pm.

We look forward to welcoming you to the Poplar Farm School Family.

Kind Regards,

Mrs Kate Hodson
Head Teacher
